👉 **Okra Playground *Turmio*** (Nordic Notes NN081). Big production from Finnish sextet – three female singers, kanteles, violin, guitar, bass, percussion. Mostly trad lyrics to original trad-form tunes. Ambitious (for which face-paint seems essential), lush, pleasant, tuneful, but rather bland-textured, somewhat like a twinkly, synthy version of mid, major-label-period Värttinä. nordic-notes.de
